Not the best quality but pretty!By TailaCarterThe shipping was terrible, the planner came messed up before the padded mailer it came in was fat to large for it. I was disappointed to find out how flimsy the cover is as well. I will probably try to go back and reinforce it myself. Other wise the pictures that are throughout it are beautiful and it has a nice layout. I just wish it was a little bit higher quality and more sturdy. I am about 80% sure it will not make it through all of 2017. It starts in July of 2016 and goes through June of 2017.0 of 0 people found the following review helpful. I like itBy CustomerI love all the Bible verses in this planner. Yes the outside cover does not seem as sturdy as expected but it has not given me problems and I don't think it will. I doubt anything will rip because the cover is plastic. The inside paper is thick and the simplistic inside is a nice. Great for students, maybe not for someone who has a LOT of things to do or write down in one day, but it is enough. If you want God to speak to you each month with a certain bible verse, this planner will be great.1 of 1 people found the following review helpful. THis says 2017.. and i guess "academic" was ...By Sharon G. BoergerTHis says 2017.. and i guess "academic" was a clue, i just didnt know that term.. so i thought i was buying a 2017 calendar.. IT IS NOT.. it is 1/2 1016 and 1/2 of 2017.. so I will need to purchase a full year 2017 calendar.

Let these scenic images paired with inspiring verses from Psalms guide you through the 2016-2017 academic year. This 12-month, spiral engagement planner begins in July 2016 and continues through June 2017 and also features a new scene and Psalm each month. Additionally, this planner has monthly planning pages and weekly spreads with ample writing space for daily planning. Blank note pages and a protective plastic cover, which doubles as a storage pocket, are also included. All calendar pages are printed on FSC certified paper and use environmentally safe inks.
